Overview & Methodology

information • insights • innovation

70

members

of US Fortune 500

24

years

of service to our clients

97%

member retention

in our forums

What we offer at KnowledgeConnect goes beyond best practices.

We help our clients drive innovation and achieve competitive advantage

We gather small and consistent groups of leading companies
in confidential sharing forums

Our tight-knit groups provide an environment in which members can learn
validated methods and share paradigm-shifting insights

For 24 years, our methodology has led to strategic and operational
breakthroughs and enhanced performance for our clients

Our practices

Information Security │ IT Infrastructure & Operations │ IT Network Management

IT End-User Experience │ Intelligent Automation │ Facilities Management
